5. Click on “More” to access the Thermo Fisher JIC 2024 application.

The [Thermo Fisher Scientific Junior Innovators Challenge \(JIC\)](#), a program founded and produced by Society for Science (the Society), seeks to inspire young scientists, engineers and innovators who will solve the grand challenges of the future. The Thermo Fisher JIC is the only middle school STEM competition that leverages Society-affiliated science fairs as a crucial component of the STEM talent pipeline. As a Thermo Fisher JIC nominee, you are part of the top 10 percent of 6th, 7th and 8th grade projects entered into Society-affiliated fairs around the country - that's a huge accomplishment!

You are now taking the next step in the Thermo Fisher JIC by opening and completing your application. Good luck!

Check out these different pages in the top right of your menu bar as you work on the application:

- [Resources](#) page: Find the 2025 rules, forms and videos to walk you through the application.
- [FAQ](#) page: Have a question? Check here to find answers to frequently asked questions.
